

REMARKS/ARGUMENTS

The Examiner has noted that Applicants did not comply with 37 CFR 1.121 in the labeling of claims in their July 6, 2004 Response. Applicants have amended the Listing of Claims to substitute "previously presented" for the terms "previously amended" and "previously added" erroneously used in the July 6, 2004 Response. In addition, Applicants have removed all claim text for the claims with the status of "canceled." Applicants submit that with these amendments, the claims are now properly presented in accordance with 37 CFR 1.121.

Accordingly, Applicants respectfully request that the Examiner permit this application to pass to issue.
